前言 FORWORD

This parts catalogue contains service parts information for the Victory brand SCH1025DH1, and SCH1025SH1 vehicle models, which use HH415 engine.

This catalogue covers the core parts of the vehicle, including the vehicle body, chassis, electrical system, interior and exterior trim. Each part has detailed pictures and descriptions so that you can better understand its appearance, structure and installation location.

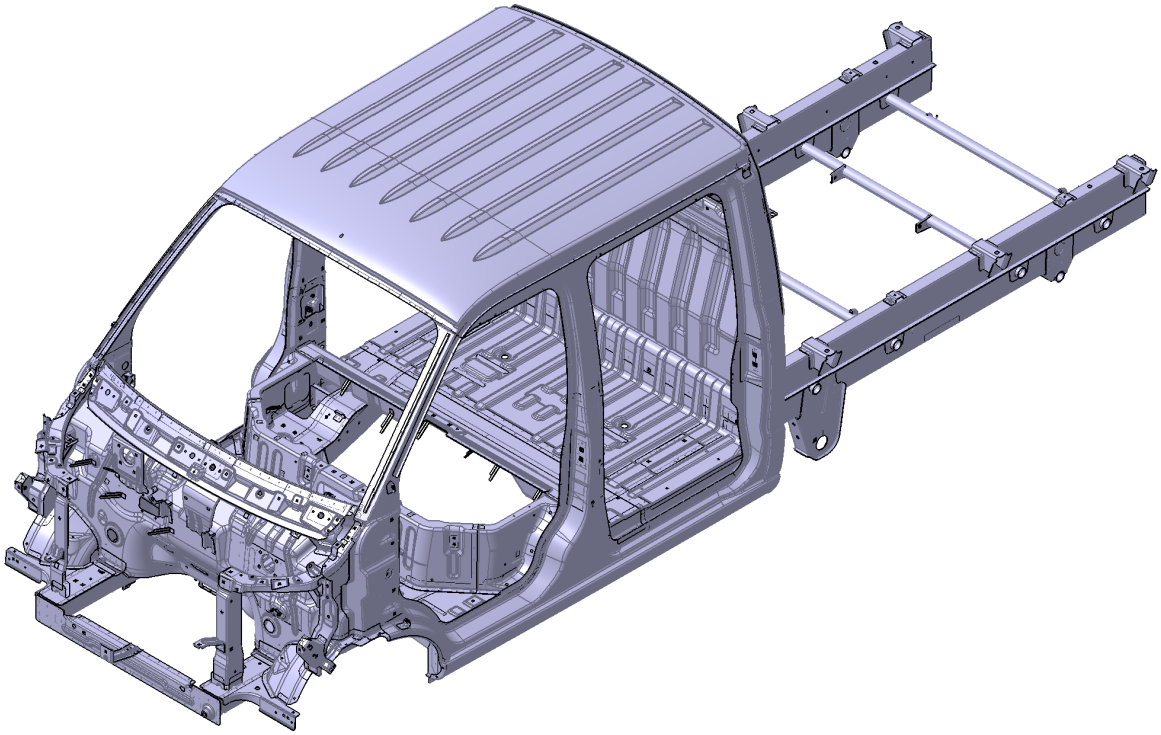

We hope this catalogue can become an important reference material for you in the process of vehicle maintenance and repair. At the same time, we will also continuously update and improve the content of the catalogue to meet your demand for information on automotive parts.
